

ABOUT THE INSTITUTION

The Bannari Amman Institute of Technology (BIT) is the fruit of dedicated efforts put up by the Bannari Amman Group, a leading corporate house under the dynamic chairmanship of a great visionary, Thiru S V Balasubramaniam, in South India to establish a center of excellence in Engineering and Technology. It is an impressive campus, situated in a serene surrounding at the foot hills of Nilgiris mountains. The Institute is affiliated to Anna University, Chennai and approved by AICTE, New Delhi. The Institute offers 15 undergraduate and 15 postgraduate programmes in Engineering, Technology. The Institution is ISO 9001:2008 certified for its quality education and most of the courses are accredited by National Board of Accreditation (NBA), AICTE and NAAC with 'A' Grade.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Department of Computer Science & Engineering is a unique center of BIT established in 1996. It offers a 4 year B.E (Computer Science and Engineering) programme and 2 year M.E. (Computer Science and Engineering) programme. The department has well qualified, dedicated and specialized faculty members in different areas of Computer Science and Engineering, with rich experience in Academics, Industry and Research. The department has well equipped and spacious laboratories with modern Computer equipments.

ABOUT THE CONFERENCE

Ubiquitous Computing is the next revolution in Computing developed from the recent advances in embedded systems and Mobile Technologies.

The aim of this Conference is to provide an opportunity for bringing together various experts, researchers and persons from industry to discuss state-of-the-art in Recent Trends in Information and Ubiquitous Computing Communication Technology.
