Academic Audit Committee

Academic Year 2024 - 2025

Objective / Aim:

The Academic audit process emphasizes the improvement and encourages departments or programs to evaluate their education quality processes. The purpose of the Audit is to provide the opportunity for a regular strategic overview of the Department's Teaching and Learning activity and ensure the best interests of the discipline and student learning.

Associated Activities / Functions:
- Audit the learning outcomes for individual courses and the overall program.
- Assess the student learning through periodical tests, innovative practices and end semester examination
- Assess the final year students' projects.
