The overall quality of teaching-learning process in your institute is very good

21. Give three observation/suggestions to improve the overall teaching - learning experience in your institution.

- Friendly behaviour with students
- Use of better graphics and visual media to engage students
- Efforts to reach every student and address their doubts
- Promotion of two-way interaction in teaching
- Provision of free internship opportunities for students
- Facilitation of industrial visits
- Organization of hackathons and other events
- Importance of considering students' feelings about faculty
- Incorporation of more skills development in specific domains
- Provision of practical and experimental teaching to enhance knowledge
- Creation of a fearless and friendly environment between teachers and students.
- Focus on what they are teaching and what students want, and help them place in a reputed company.
- Continue with the same flow: Training for competitive exams like GATE AFCAT is appreciable. Overall, the teaching-learning experience was good
- Kindly give more projects and real-time problems to solve
- Overall, everything is excellent and satisfactory
